Statement of The Board of Directors' Responsibilities (refer to IG 8)

The SACCOs Act, No 14 of 2008 requires the Board of Directors to prepare financial statements for each year which give a true and fair view of the state of affairs of the society as at the end of the financial year and of its operating results for that year in accordance with IFRS It also requires the Board of Directors to ensure that the society keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the society. They are also responsible for safeguarding the assets of the society and ensuring that the business of the society has been conducted in accordance with its objectives, by-laws and any other resolutions made at the society's general meeting.

The Board of Directors accepts responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards and in the manner required by the SACCO Societies Act No. 14 of 2008. The Board of Directors is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the society and of its operating results in accordance with the IFRS. The Board of Directors further accepts responsibility for the maintenance of accounting records which may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the Board of Directors to indicate that the society will not remain a going concern for at least twelve months from the date of this statement.

Report of the Independent Auditor to the members of Mkopo Sacco Limited

We have audited the accompanying financial statements of Mkopo Sacco Limited, set out on pages to page......which comprise the statement of financial position as at2010, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

The Board of Directors' Responsibility for the Financial Statements

The Board of Directors is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and the requirements of the Kenyan Saccos Societies Act. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement

Auditor's Responsibility

Our responsibility is to express an independent opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of society's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Society's financial affairs at2010 and of the results of its operations and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Kenyan Sacco Societies Act.

^{*} Prior period adjustments comprise material prior period errors (LAS 8-42) and the effects of retrospective application of a change in an accounting policy (LAS 8-21). They would be explained in a Note, which is not illustrated in this template. Neither is the balance sheet as at the beginning of the comparative period, which is required under LAS 1-10(f), included in this illustration.

^{**} Other reserves should be analyzed into their separate components i.e. fair value reserve/statutory reserve, etc.
