LINKAGE –PLANNING & BUDGETING

BUDGETING

PLANNING

Introduction- Linkage between planning & budgeting

- ❑ Essential to strengthen the linkages between policy formulation, planning & budgeting at all levels;
- ❑ At the moment, the links between Vision 2030, the MTEF 3-year cycle and the annual budget are weak;
- ❑ The Vision and MTEF are not fully synchronized with each other & the annual budget;
- ❑ At County level , sometimes there's a mismatch between the CIDP/Annual Development Plan and the County Budget

Planning -Background

National and County level Planning is informed by:

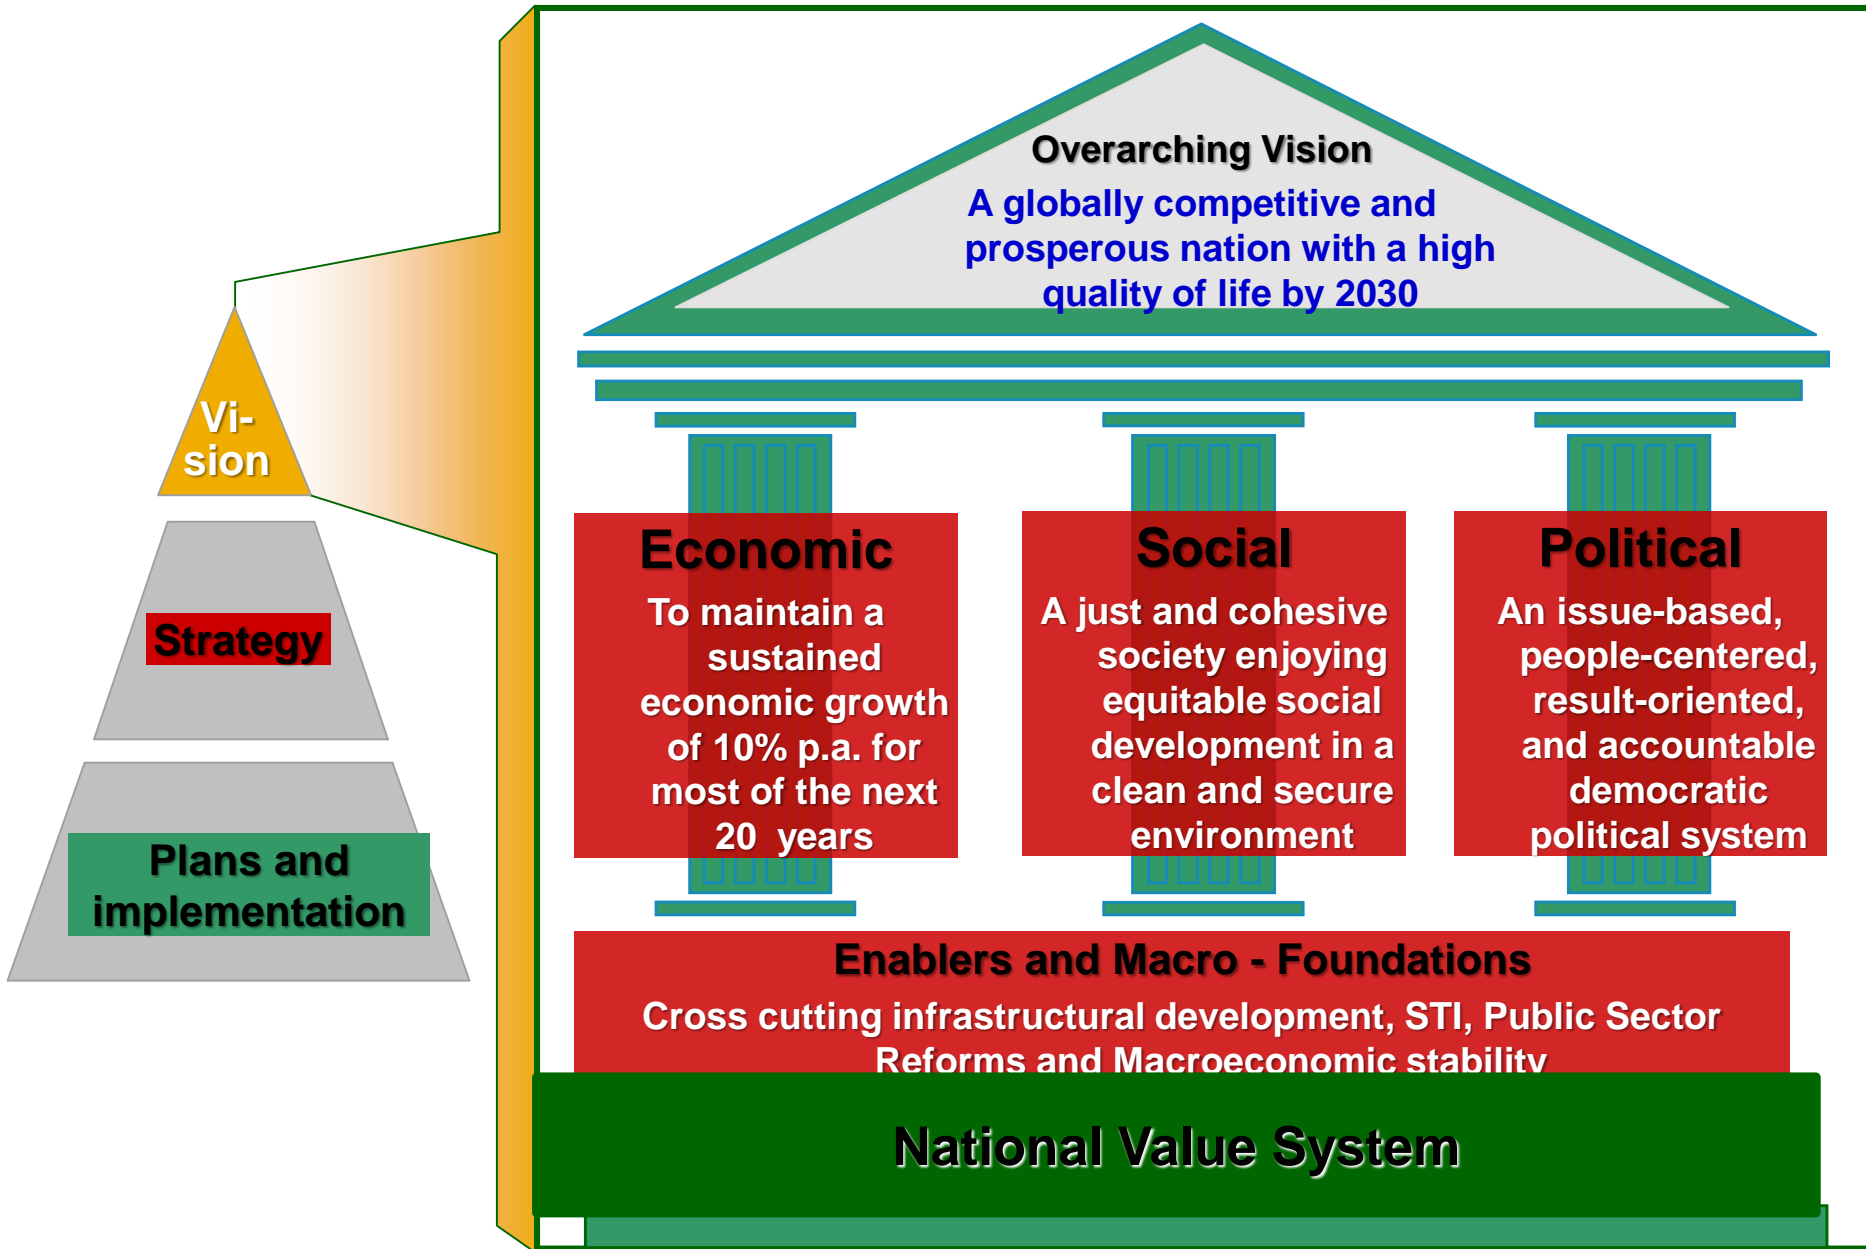

1. Agreed National Planning Framework- in Kenya, the Vision 2030
2. Planning frameworks at subnational level – County Integrated Development Plan (CIDP)
3. Continental wide agreements- African Union's Agenda 2063
4. Global Agreements- Sustainable Development Goals (SDGs)

Sustainable Development Goals (SDGs)
