

Implementation Guidance – Illustrative Financial Statement Structure

This guidance accompanies, but is not part of, IPSAS 22.

GOVERNMENT A – EXTRACT OF FINANCIAL STATEMENTS

Extract from the Notes to the Financial Statements

Note: General Government Sector (GGS) Disclosures

The following disclosures are made for the general government sector (GGS). They reflect the accounting policies adopted in the consolidated financial statements except that the consolidation requirements have been varied in respect of the public financial corporations (PFCs) sector and public nonfinancial corporations (PNFCs) sector. In accordance with the requirements of IPSAS 22, “Disclosure of Financial Information about the General Government Sector,” PFCs and PNFCs are not consolidated in the GGS disclosures but are recognized as investments of the GGS. The investments in PFCs and PNFCs are presented as a single line item measured at the carrying amount of the net assets of the investees.

The GGS comprises all central government ministries and other entities controlled by the government that are primarily engaged in nonmarket activities. These entities are:

Ministry of x

y

z.

During the reporting period, activities related to the postal service, previously undertaken by the ministry of communications, have been reconstituted on a commercial basis and are no longer included in the financial information presented for the GGS.
