an update of the activities undertaken by the Council and the Institute over the past year.

The salient highlights under the four pillars of the Strategic Plan were noted as follows:

Inputs would be considered in redesigning the final curriculum within the year 2020.
- Conducted 242 Compliance Inspections and Quality Assurance reviews during 2019 compared to 200 in 2018.

- Disciplinary Process: A gap had arisen due to end of terms, between 2017 and 2018, for 4 members of the Disciplinary Committee leaving it non-functional. The National Treasury appointed two members to the Committee in November 2018, however, the term of the Chairman had also lapsed. In August 2019, National Treasury reappointed the Chairman and one other member, making it a fully functioning Committee. Good progress was being made clearing cases pending from 2014 to 2019.
- The Disciplinary Committee was in the process of reviewing the ICPAK Policy on Discipline of Members to bring it in line with the amendments to the Accountants Act, the Constitution of Kenya and other relevant Statutes.
- Aggrieved members were adopting Alternative Dispute Resolution (ADR) as a mechanism to resolve grievances, especially between members or with clients.
- Following petitions by members, Council reviewed firm licence fees bringing in equity and progressiveness to firm licensing structure

- Council discussed the petitions from previous AGMs and appointed a sub-committee of Council to examine the petitions and how to respond to them.
- After deliberations, the sub-committee recommended to Council that due to the weight of the matters and the fact that the matters had been raised repeatedly, and due to perceived conflict of interest by sitting Council members, it was advisable to form an ad hoc Committee that was Independent of Council to deal with the petitions.

AGM 10/2020 Any Other Business

It was reported that CPA Lennox Nelson Jalango, Member No. 9392 had written to the Institute requesting for the following to be added as a matter to be discussed under ‘any other business’ at the annual general meeting.

‘Separation of welfare issues from the regulatory mandate of the Institute

In line with agenda 8 on AOB of the ICPAK Annual General Meeting’s Notice issued on 29th May 2020, I do hereby make a request for the above agenda to be considered for adoption and discussion by the online Annual General Meeting scheduled for 12th June 2020 from 10.00 a.m.

Many of the members have continued to demand for more welfare programs across the country despite it being just an incidental role. The Institute risks turning itself into a welfare Institute contrary to its regulatory mandate.

There is need, therefore for an elaborate team to collect, discuss and collate views from membership with a view to setting up a structure that will effectively complement ICPAK in its regulatory role.’

The Chairman informed members that the matter would be taken up by the ad hoc Committee which had been constituted, and members informed of the way forward before the next Annual General Meeting.

THERE BEING NO OTHER BUSINESS TO TRANSACT, THE CHAIRMAN DECLARED THE MEETING CLOSED AT 2.55 P.M.
