I am a graduate from Masinde Murilo University with a Bachelor of commerce, a Certified Public Accountant since 2014 (Vision Institute of Professionals), Certified Information Systems Auditor (ISACA), CFE member and currently pursuing Masters at Strathmore Business School.

I have acquired over 15 years of relevant work experience in different companies and holding different positions namely: Cost and Revenue controller, Assistant Internal auditor, Chief Finance Officer, and Internal auditor respectively.

I have served in leadership positions since high school holding positions of Assistant School Captain (Chuka Boys High), Student representative (Vision Institute), and Sacco Treasurer (Karume Investment Group Sacco).

Currently, I am engaged as the Head of Internal Audit reporting to the management board in the most prestigious social club in Kenya which was founded in the year 1901-the Nairobi Club.

Suitability for Council Election

- a) I am a Member of the Institute in good standing.
- b) I seek to continue raising the bar in all areas of our responsibility, performance and accomplish the mission of "extreme leadership" by focusing on the Effectiveness of the Regulatory role of ICPAK. The resultant will be the creation of opportunities and enhanced quality service to all categories of membership.
- c) I bring on-board rich experience in critical areas of managing membership affairs and corporate governance acquired over years.
- d) I am committed to more deliverables during my tenure period.

I humbly request your vote and support to be your council member year 2021. Together I believe we can accomplish significant greater things - for our profession and Country.
